Breguet Watchmaker

Breguet holds a special place in cultural history and is the standard that all fine watchmaking has been judged. Today more than ever its capacity to innovate reflects the Brands vitality.

We have an opportunity for a highly skilled Watchmaker to work with our prestigious Breguet timepieces. The successful candidate will have the opportunity to train and work on these prestigious watches.

The individual must have a proven track record of working at the bench with luxury and ideally complicated watches. As part of the application process these skills will be assessed.

This is an exciting opportunity and offers Swiss training at the manufacturer with Swatch Group luxury brands, including Tourbillon.

This role is based in our customer service centre in Southampton (relocation would be considered).

Omega Watchmakers

Omega has always been driven by its pioneering spirit, and holds more world records for accuracy than any other Brand. We are proud of this legacy and of the commitment to innovation.

We are looking to recruit highly motivated and skilled watch makers to join our dedicated OMEGA service team.

The successful applicants will be able to carry out repairs on high quality wrist watches including mechanical repairs up to and including chronograph level. As part of the application process these skills will be assessed.

The individuals will receive development on OMEGA Co-Axial products both internally and at the brand head office in Switzerland. The role may lead to training in specialist products, including rattrapante and other exciting new OMEGA products.

This role will be based customer service centre in Southampton. (relocation will be considered).

Please forward all CVs in the strictest confidence to:

**Human Resources, Swatch Group (UK) Ltd, Building 1000,
The Royals Business Park, Dockside Road, London, E16 2QU
or alternatively email: hr_uk@uk.swatchgroup.com**
