www.comitti.com

We have the following vacancies:

Experienced clock or instrument maker in our movement assembly and inspection departments.

Trainee in our final assembly department.

Please contact Comitti on the above numbers for more details.

Experienced Watchmaker Required

Breitling UK has just completed the expansion and remodelling of its Royal Tunbridge Wells facility. Due to this dynamic business growth we are looking for skilled watchmakers to join our already thriving team in a brand new state of the art workshop.

Candidates will need to be experienced in the servicing of high quality movements and have strong knowledge of chronograph calibres. Advanced training on our fully certified chronometer brand will be provided on site and at our head office in Switzerland.

Market leading salary + package and incentives. Candidates are required to contact us directly including CV to:

human.resources@breitling-uk.com or write:

Breitling UK Ltd, 1 Tunbridge Wells Trade Park, Longfield Road, Tunbridge Wells, TN2 3QF

All applications will be handled with the strictest of confidence.
